OFFICE OF THE WASHINGTON AQUEDUCT,
Washington, March 5, 1857.

day.

Maps, profiles, and specifications of the materials and work to be
let will be ready for examination at this office on and after the 20th

Maps, profiles, and specifications of the materials and work to be let will be ready for examination at this office on and after the 20th April next.

The work to be let will embrace masonry of some of the bridges, graduation, excavation, and embankment of reservoirs, iron pipes connected with the reservoirs, Ir-inch iron main, gate houses, bricks, sand, rubblo, and cut stone, &c.

For the particular works and materials reference is made to the specifications and plans.

As upon a portion of the line the titles are not yet acquired by the United States, there may be some delay in commencing the work thereon; but for such unavoidable delays due allowance will be made in the time of complotion.

Portions only of some of the works can be completed under the present appropriation; but all contracts for unfinished work will be subject to fature appropriations by Congress. The engineer reserves the right to prescribe the smount of work to be done and rate of progress under each contract for each appropriation; and in case of the appropriation to holding out sufficiently, to decide when and what works shall be stopped until funds become available.

In case of the entire stoppage of any particular work for want of funds, the reserved ten per cent, will be paid, if, in the judgment of the engineer, the work has been properly executed so far as it has gone.

Payments will be made in specie checks upon the United States

the engineer, the work has been properly executed so far as it has gone.

Payments will be made in specie checks upon the United States treasury upon the monthly estimates of the engineer, reserving 10 percut: and it will be a condition of all contracts that the workmen shall be paid their full wages mouthly, and in specie.

All belts should be scaled, and endersed "Proposals for work of materials on the Washington Aqueduct."

The United States reserves the right to reject any or all the bids abould they not be deemed advantageous, and to make such arrangements as may be considered most conductre to the progress of the work.

Every offer must be accompanied by a written guarantee, signed by one or more responsible persons, to the effect that he or they undertake that the bidder or bidders will, if his or their bid be accopted, enter into an obligation, within ten days, with good and sufficient securities, for the completion of the work undertaken; asid guarantee to be accompanied by the certificate of the United States district judge, United States district attorney, navy agent, or some officer of the general government or individual known to the Engineer or be-partment of War, that the guarantoes are able to make good their guarantee.

10.1 Well he spend in pressure of bidders, if any of them choose to Capt. of Engin

Sale of Indian Trust Lands in Kansas Territory. PROCLAMATION

Also, at Lecompton, in said Territory, commencing on Tuesday, the twenty-third day of June next, for the disposal of such of the lands held in trast by the United States for the benefit of the behavare tribe of Indians as are situated within the undermentioned townships, com-prising the sectors portion of the lands ceded by the said Pelaware In-dians, in trust as aforesaid, to wit:

Townships six, seven, eight, nine, and ten, of range eighteen. The terms of said sales will be cash, and no bid will be received below the valuation placed upon the several tracts by the commissioners duly appointed for the purpose of classifying and valoing the same, and upon payment being made, receipts in duplicate will be executed therefor, one of which will be delivered to the purchased. Patents will subsequently be issued for the land so purchased in accordance with the laws in force regulating the issue thereof. The offering of the above lands will be commenced on the days respectively appointed, and will proceed in the order in which they are advertised, with all convenient despatch, until the whole shall have been offered and the sales thus closed. All purchases not paid for on the day of sale will be reoffered on the following day at the risk of the defaulting purchaser.

Given under my hand at the city of Washington this twenty-sixth day of Followardy, eighteen hundred and fifty-seven.

FRANKLIN PIERCE, By the President:

Geo. W. MANYPKNNY,
Commissioner of Indian Affairs.

N. B.—No newspaper is authorized to publish the foregoing adverteement without special instructions to that effect from the Commissioner of Indian Affairs.

Feb 25—LawtiJune.

CHARLES E. MIX.

United States Patent Office,
Washington, April 8, 1887.

O'N the petition of Harriet V. Terry, administratrix of Wm. D. Terry, deceased, of Boston, Massachusetts, praying for the extension of a patent granted to the said Wm. D. Terry, on the 12th day of July, 1843, for an improvement in "cast iron pavements," for seven years from the expiration of said patent, which takes place on the 12th day of July, 1857.

It is ordered that the said petition be heard at the Patent Office on Monday, the 29th of June next, at 12 o'clock, m., and all persons are notified to appear and show cause, if any they have, why said petition ought not to be granted.

Persons opposing the extension are required to file in the Patent Office their objections, specially set forth in writing, at least twenty days before the day of hearing. All testimony filed by either party to be used at the said hearing must be taken and transmitted in accordance with the rules of the office, which will be furnished on application.

cordance with the rules of the omce, which will be distance and plication.

The testimony in the case will be closed on the 19th of June; depositions, and other papers relied upon as testimony, must be filed in the office on or before the morning of that day; the arguments, if any, within ten days thereafter.

Ordered, also, that this notice be published in the Union, Intelligencer, and Evening Star, Washington, D. C.; Republican, Baltimore, Md.; Penneylvanian, Philadeiphia, Pa.; Daily News, New York, N. Y.; and Post, Beston, Mass., once a week for three successive weeks previous to the 29th of June next, the day of hearing.

CHARLES MASON,
Commissioner of Patents.

THE NEW YORK AND LIVERPOOL UNITED States mail steamers.—The ships comprising this line are the following:

Capt. Oliver Eldridge. Capt. Jos. Comstock. Capt. James West. These ships having been built by contract expressly for government service, every care has been taken in their construction, as also in their content, to insure strength and speed; and their accummodations for passengers are unequalled for elegance and comfort.

Price of passage from New York to Liverpool in first cabin, \$130; in second cabin, \$75. From Liverpool to New York, 30 and 20 guineas.

titineas.

An experienced surgeon attached to each ship.

No borths can be secured until paid for.

The ships of this line have improved water-tight bulk heads, and, to world danger from ice, will not cross the Banks north of 42 deg. until for the lat of August.
